

doubtedly an electric influence connected with its operations, but what that may be at least the law which governs we cannot tell. Electrical science is but in its infancy.

"O. R. L., of Ill."—It is a first rate overshoot wheel that gives 75 per cent effective power.

"J. M. of Pa."—The Gutta Percha can now be obtained in this city.

"A. H. of Me."—We will give your business prompt attention.

"R. C. of Mass."—We will answer you next week.

"A. H. of Lancaster, Mass."—Your communication came to late too answer in the manner requested through our columns. We can give you the sketch two weeks hence. If that will answer write immediately. You will find what you want however in the "Lives of Eminent American Mechanics."

"W. G. W. of Ga."—If you communicate direct with Mr. Livingston you will get all the desired information.

"J. S. of Maine."—You will have received the information by this time. In addition we would say that there is an excellent work of Pambour, London Edition, on Locomotives and Railroads.

"S. R. of Cleveland."—Candle moulds are made of iron, bronze, pewter, and sometimes of tin alone, but the most common are a mixture of tin and lead. They are made of glass in some countries, and but for their fragility, are by far the best. You will find much valuable information on this subject in Morfit's Chemistry. Carey and Hart, Phila., are the publishers

"T. S. M., of Ct."—Although you have met with difficulties, do not despair, "never say fail."

"N. F. Clyde, N. Y."—We sent your book by Livingston & Wells' Express, and inclosed a letter with it. All sent on Tuesday.

"G. H. D. Mass."—Your package was sent by Adams' Express to Providence on Wednesday.

Our Weekly Patent List.

We have again to apologise for the non-arrival of our weekly List of Patents from the Patent Office at Washington. Our readers are probably all aware that the Commissioner's Report must be presented to Congress by the 1st of January, and during the past few weeks there must have been intense application by the Commissioner and his Examiners to finish such a voluminous document as the Report will be for 1847.

Patent Agency.

Applications for Patents made at this office, on the most reasonable terms. Neat drawings, specifications, and engravings of the first character, and cheaper than anywhere else. Notices of new inventions, Agency for the sale of Patent Rights, and all business of that nature, promptly attended to. Those who have patent rights to dispose of will find a good opportunity and field for their sale—such as Horse Power Machines and Waterwheels of every description. The largest circulation in the world for advertisements of inventions, &c.

CITY CARRIERS.

CLARK SELLECK, SQUARE SELLECK. Persons residing in the city or Brooklyn, can have the paper left at their residences regularly, by sending their address to the office, 126 Fulton st., 2d floor

Advertisements.

This paper circulates in every State in the Union, and is seen principally by mechanics and manufacturers. Hence it may be considered the best medium of advertising, for those who import or manufacture machinery, mechanics tools, or such wares and materials as are generally used by those classes. The few advertisements in this paper are regarded with much more attention than those in closely printed dailies.

Advertisements are inserted in this paper at the following rates:

Table with 2 columns: Description of ad (e.g., one square, of eight lines one insertion) and Price (e.g., \$0 50).

TERMS:—CASH IN ADVANCE.

V. B. Palmer is duly authorized to receive Subscriptions and a limited number of advertisements for the "Scientific American," in Philadelphia, Baltimore and Boston.

QUARTERMAN & SON, House Painters, Grainers, &c. 18 Burling Slip, New York. n6 3m\*

Holden's Dollar Magazine,

Containing 64 pages of Reading Matter! At the astonishing low price of ONE DOLLAR PER ANNUM! OR SIX COPIES FOR FIVE DOLLARS!

It contains at least one third more reading matter than any similar publication in the United States, and is decidedly the LARGEST, CHEAPEST and most desirable Magazine ever published in this or any other country! The contents of Holden's Dollar Magazine will consist of Tales, Essays, Sketches and Translations.

From the pens of some of our first authors, including a series of well-wrought and spirited sketches illustrative of incidents connected with the history of the Union: arrangements having been made to elucidate some useful historical Reminiscence in every tale produced. The other usual features of a first class Magazine will be incorporated in the "Dollar," which, with its vast capacity, sixty-four pages, will enable the publisher to avail himself of many of the best writers on the other side of the Atlantic—he being pledged to render Holden's Dollar Magazine the best as well as the cheapest literary enterprise ever undertaken.

Who will not subscribe?—Among the writers of acknowledged talent in this country who are already engaged for the "Dollar Magazine," are those of Major M. M. Noah, C. F. Briggs, (Harry Franco of the Knickerbocker), Rufus W. Griswold, B. Constable, T. W. Meighan, author of the "Revolutionary Sketches," "Legends of the Thirteen Colonies," and together with the names of many other of our most distinguished authors who will furnish occasional notices peculiar to this Magazine.

Each number will contain a long and thorough review of the principal topics of the month, interspersed with anecdotes, oddities and gossip upon various subjects, which cannot fail of proving instructive as well as amusing. This will be served up monthly by one of the best humorous authors of the day, and will be a feature alone worth more than the subscription price. In the course of the volume, articles will be given from the pens of nearly all the following European authors, viz: Douglas Jerrold, Gilbert Abbott A'Becket, Goodwin Barmby, William Howitt, S. C. Hall, W. W. Thackeray, Wm. Harrison Ainsworth, Mark Lemon, William Carleton, Thomas Miller, J. R. Planché, Martin Farguhar Tupper, Alfred Tennyson, Ebenezer Elliot, Charles Mackay, together with occasional articles from Mary Howitt, Mrs. S. C. Hall, Hon. Mrs. Norton, Harriet Martineau and many others: our present space will not allow us to specify. Translations of some of the minor Tales of Eugene Sue, Alexander Dumas, Geo. Sand, &c., will be given, if free from the pernicious influence of many French tales, and particular care will be taken that nothing demoralizing in its tone ever finds a place in the pages of the Dollar Magazine.

The publisher has also made arrangements for a number of tales from the German and Spanish, and is confident that he possesses facilities for their selection unsurpassed by any one in America. It will be readily acknowledged by any one at all conversant with literature in every form, that

HOLDEN'S DOLLAR MAGAZINE,

is the LARGEST, CHEAPEST and BEST periodical in the World, and he challenges comparison with anything published in Europe or America, satisfied that the sovereign people will decide for themselves as regards the merits of the respective works.

Holden's Dollar Magazine will be issued monthly, in Nos. of 64 pages each, printed on fine paper, manufactured expressly for the work, and of extra quality, with new and beautiful type. Terms—ONE DOLLAR per annum, payable invariably in advance: Six Copies for Five Dollars, or 25 copies for 20 dollars, when mailed to one address. Address, post paid.

CHARLES W. HOLDEN, Publisher of Holden's Dollar Magazine, 105 Nassau st., N. Y.

N. B. Country papers copying this advertisement and noticing us editorially, will be entitled to a copy for one year, without an exchange. Those doing so will send one marked copy to "Holden's Dollar Magazine." d18 4t

The above is prepared to execute all orders at the shortest notice and on the most reasonable terms.

Johnson's Improved Shingle Machine.

THE Subscriber having received Letters Patent for an improvement in the Shingle Machine, is now ready to furnish them at short notice, and he would request all those who want a good machine for sawing shingles, to call on him and examine the improvements he has made, as one eighth more shingles can be sawed in the same given time than by any other machine now in use. August, Maine, Oct. 1, 1847. J. G. JOHNSON.

AMERICAN HARDWARE.

THE SUBSCRIBER having been engaged in selling American Hardware on commission for 7 years, solicits consignments from manufacturers, and will refer to those who have employed him the above number of years. SAMUEL C. HILLS, 189 Water st

Machinists Tools.

ALLEN, Editor. d11 4t

A LITERARY AND FAMILY PAPER.

THE YANKEE BLADE;

A Home Journal and Fireside Companion

DEVOTED TO Literature, Education, Morals, Fun, News, &c.

Published every Saturday at \$2 per annum

This Literary and Family Journal having during the past six years, met with the most brilliant and unexpected success,—the Publishers, grateful for the many favors shown to them, have determined to make such improvements in its character, as will greatly enhance its attractiveness and value, and render it worthy of still higher applause. The paper has been dressed throughout in a style of surpassing elegance and beauty, while its size has been greatly enlarged, and various other improvements introduced, making it one of the best and most attractive newspapers in the Union.

Among other leading features, the Blade will contain from one to four of the Richest and most Interesting Stories of the Day.

Not only original, but gems of the European and American Magazines, and in all cases a preference will be shown to such as can be published entire in a single paper. In addition its columns will be stored with POPULAR ESSAYS BY ABLE WRITERS, Choice and beautiful Poems, Gleanings from New Works, Selections from Foreign Journals, Mirth-creating Sketches, "Whittlings," Jokes, Scraps, News Items, and every thing else that can give zest and interest. In brief, our object will be to render it an agreeable, entertaining and ever welcome Family Visitor, brimming always with INSTRUCTION and AMUSEMENT, and especially desirable to the FAMILY CIRCLE.

THE LADIES MAGAZINE AND CASKET OF LITERATURE,

is also published at the same office. Terms: \$1.00 per annum in advance. It will contain superb engravings, Music, Flowers, &c. &c. It is one of the handsomest Dollar Magazines published.

J. A. Gilbe t 22 Ana st., and George Dexter, 32 Ann st., New York are Wholesale Agents for the Blade and Magazine.

MATHEWS, GOULD & CO. Publishers, 138 1-2 Washington st., Boston, Mass. n20 5m

To Mill Owners.

HAVILAND & TUTTLE'S Patent Centre Vent Pressure Water Wheel.—These wheels are now in successful operation in many towns in Maine, Massachusetts, and Rhode Island, and are found to surpass in power and facility of adaptation any water wheel now in use. This wheel was awarded the silver medal at the Fair of the American Institute recently held in New York and a diploma at the Mechanics' Fair in Boston.

The wheels are manufactured and for sale by the FULTON IRON FOUNDRY CO., South Boston, Mass.,—where the wheels can be seen and any information concerning them had.
