volume.

Answers to Correspondents.

Owing to the great length of our invaluable index, answers to many correspondents is neeessarily delayed till next week. Our attention to correspondents will receive a still greater share of our labors than heretofore-great

Scientific American for Binding. bers bound to send them to this office and have ; force and to labor more attentively for the them executed in our usual manner, for the benefit of our correspondents, than heretofore. low price of 75 cents.

well bound by sending them to this office, as the trade.

Important Notice to us ! Whenever any of our friends order numbers they have missed-we shall always send them, if we have them on hand. We make this statement to save much time and trouble, to which we are subjec ted in replying, when the numbers called for cannot be supplied.

Friends, we return to many of you our tion you require in regard to his wood bending we have received from time to time. You have not only done us but "the State some service." Knowledge is truth, and your labor

To all correspondents who have asked for information, we have endeavored to give it to "J. H. C. of Pa."-If you can wait, we in- them in all candor. Many have written unto every case being good. Some could not get an answer because of the too great length of their letters, and some, we must say, we could not read, not owing to bad composition apparently, but to carelessness in the writers. Many of our correspondents may have been overlooked unintentionally. We endeavor to be careful in this respect, but when we have so many as 50 letters on an average per day, and some of them very long, As this number closes volume 5, we would it is impossible to prevent oversights. It is We hope you will endeavor to extend the cir-

You can depend upon having your volumes culation of volume 6, and we will endeavor to return you equal favors.

Patent Claims.

Persons desiring the claims of any invention which has been patented within fourteen years can obtain a copy by addressing a letter to this office; stating the name of the patentee, and the year the patent was granted (adding the month of the year when convenient), and enclosing one dollar as fees for copying.
