Positively the Last

of the

Booklovers' Shakespeare

Three years have now passed since we first took hold of the **Booklovers' Shakespeare** and in that time three large and entire editions of the work have been distributed through our Library Club. The past is a record of phenomenal success, the popularity of the work is uninterrupted, and we would gladly purchase another edition were we able to secure it at previous figures. We are, however, unable to make satisfactory terms with the publisher, who wants to sell the books through agents at the full price, and we are reluctantly compelled to announce this as **positively the last of the Booklovers' Shakespeare**

Bound Books At Sheet Prices

We find a few sets left on hand of the half leather edition which are either slightly discolored from exposure in the show window or a little rubbed from handling, but the damage is so slight that it is scarcely noticeable. Our inspector, however, will not pass them as perfect stock, so we will close them out for what they are worth to us with their covers torn off.

No Other Edition Contains

TOPICAL INDEX: By means of which the reader can find any desired passage in the plays and poems.

CRITICAL COMMENTS, explaining the plays and characters, selected from the writings of eminent Shakespearean scholars.

GLOSSARIES FOLLOWING EACH PLAY, so that you do not have to turn to a separate volume to find the meaning of every obscure word.

TWO SETS OF NOTES: Explanatory notes for the general reader and critical notes for the student or scholar.

ARGUMENTS, giving a full story of each play in interesting, readable prose.

STUDY METHODS, consisting of study questions and suggestions, the idea being to furnish a complete college course of Shakespearean study.

LIFE OF SHAKESPEARE, by Dr. Israel Gollancz, with critical essays by Egebert Stephens, and other distinguished Shakespearean scholars and critics.

THE **BOOKLOVERS' SHAKESPEARE** in 40 dainty volumes—a play to a volume—contains 7,000 pages, including 40 beautiful plates in colors and 400 other illustrations. The volumes are 7 x 5 inches—just right for easy handling. The price of the work sold through agents is \$42.00. **WE OFFER THIS FINAL END OF A LARGE EDITION AT \$23.00** to close them out.

FREE—For 5 Days

Nothing that we can say about the **Booklovers' Shakespeare** can be as convincing as a personal examination of the books. We will send you the set transportation prepaid—allow you ample time for its examination and if for any reason it fails to give you satisfaction you may return it at our expense. No deposit is required—and you incur neither risk nor expense in doing this—nor are you under obligation to purchase unless thoroughly satisfied. All you need to do is to fill up and return the accompanying coupon.
